

Whether vehicle heaters, air conditioning systems, vehicle electronics or exhaust technology: As one of the leading system developers and suppliers to the global automotive industry, the Eberspächer Group stands for groundbreaking solutions. You want to help shape the mobility of tomorrow? In an innovative family business with over 10,000 employees? With us you can and may. Because we are constantly on course for the future. For you, that means: exciting areas of responsibility, plenty of room for movement and diverse development opportunities.

Air Conditioning Installation Engineers – Sub-Contract Work Available

Eberspächer UK Ltd, is a progressive and forward thinking company based in Ringwood in Hampshire. Due to expansion within the company, mobile installation engineers are needed on a sub-contract basis. Ideally based in the Midlands or North of the country, but not essential.

Your Responsibilities will include: Installing and commissioning air conditioning and heating products to a wide range of light commercial vehicles.

The ideal candidate will have the following:

- Strong background in light commercial vehicle air conditioning installations.
- Hold a City & Guilds or equivalent in Refrigeration and Air Conditioning.
- Hold an FGAS Safe Handling Certificate.
- A full driving licence, valid to drive in the UK.
- Good communication skills.

We are looking for hard working, committed individuals, who can work on their own initiative. The candidate must also have their own public liability insurance.

Excellent package for the right individuals.

- Job Type: **Sub contractor**
- Years of Experience: **5+ years**
- Hours of Work: **TBC**

If you think you have the right skills, experience and aptitude, then please send your CV to:
